

CACLM Beddown Igloos

Minot Air Force Base, ND

Contract No. : DACA45-03-C-0010

Contract Amount: \$4,232,344

Contract Type: Single Prime Contract

Owner: U.S. Government

Architect: U.S. Army Corps of Engineers
Omaha District

Completion: December 2004

Project Description: Construct two cruise missile storage igloos. The structures included over 4,000 cubic yards of structural concrete, 320 tons of reinforcing steel, manually operated steel blast doors and state of the art electrical grounding systems. The site development included several thousand feet of perimeter fence, concrete convoy road and apron, new waterline, electrical service and site lighting.
